

MY ISP GOALS FOR 2021:

HALEY SINGER

GOAL #1

Social Skills/ **Stay focused on the topic of the conversation.** Please continue redirecting, motivating, and praising Haley for focusing on the topic of the conversation. The goal is for Haley to use less redirection in staying focused. [Click Here for Activity](#)

GOAL #2

Customer Service/ **Eye contact when talking to customers.** Since Haley is looking for direct employment, when doing role play about common situations at a job site, encourage her to keep eye contact with the coach or peers during the role play. [Click Here for Activity](#)

GOAL #3

Independent Living/ **Safety in the community.** Continue practicing with Haley the importance of following social distancing. Do some role-play on how far Haley needs to be from someone else. Example: Have her use a picture of someone and place it at her arm's length and then she can sit and continue with the activity. If you see that Haley is moving closer to the picture remind her of the social distancing. Help her be more independent on this during the activity. When it comes to wearing a mask correctly, do some exercises on how to wear the mask correctly. Have Haley talk about her goals and how she is working towards achieving them.
